

Thursday 3rd October 2024

Dear Parent/Carer,

We're very hopeful that plans are on track to enable our academisation later this term. Once a definitive date has been confirmed, we will let you know. In the meantime, I'm pleased to share with you our updated letterhead (on which this letter is written), along with our new school logo which we feel is much more reflective of our school.

We're very pleased with the end result and the simplicity of the design in particular, which emphasises our school motto 'reach for the stars', whilst giving a nod to the River Maun (after which the school is named) and Forest View (shown by the trees), where the majority of our children move to in Year 3.

Many thanks to our designer at [The Logo Mark](#) and to everyone who shared their thoughts and ideas as part of the process. In particular, many thanks to Miss Wardle who has now left our staff team, but who put her artistic talents to good use by sketching out some designs for us. We can't wait to see what this looks like on our school uniform and are currently in the process of liaising with [MyClothing](#) to make the change happen.

In the not-too-distant future, we will have a new school website which you'll be able to access using the web address at the bottom of this letter, so please watch this space for more news to come. In the meantime, please be aware that our school email addresses have now been updated as follows:

- School office: office@mauninfants.co.uk
- Maun parents' email box: parents@mauninfants.co.uk

Yours sincerely,

Miss Norman

Headteacher
